GRAPE VARIETIES

100% Grenache

TERROIR

We are in Le Pouget, inland from Montpellier, in the heart of the Hérault.
In the Hérault valley, the vines share the landscape with garrigue and olive trees. Clay soils, Mediterranean sun and little summer rain: Grenache is at home here. You can taste it in the glass, with ripe fruit and generosity.

VITICULTURE

A southern grape that loves the sun and copes well with drought.
Growers in Le Pouget look after the vines all year round, from pruning to harvest. The grapes are picked when properly ripe, as Grenache shows its best: red fruit and roundness.

WINEMAKING

We tasted several tanks and kept the smoothest.
Fermented and aged in tank to keep the fruit and suppleness of the Grenache. We want a round, generous wine, easy to drink but with real depth. It is bottled in Le Pouget too, close to the cellar.

TASTING NOTES

Bright ruby colour.
Nose of ripe red fruit with a touch of sweet spice.
On the palate, it is round and supple, with soft tannins and a generous finish.
A sunny wine, easy to love. Serve at 16 °C, no warmer.
