IGP PAYS D'OC

CÉPAGES

100% Chardonnay

TERROIR

At the foot of the city of Carcassonne, this Chardonnay benefits from limestone soils and a temperate climate to express its full finesse.

The terroir, bathed in sunlight but refreshed by marine breezes from Narbonne, provides the perfect setting for a balanced Chardonnay, preserving the grape's natural freshness.

VITICULTURE

These plains are quite easy to work. Everything has been mechanized to simplify vineyard work. Harvesting is done early to retain vibrant acidity and natural freshness. The goal is to offer a wine distinguished by its airy character and subtlety.

VINIFICATION

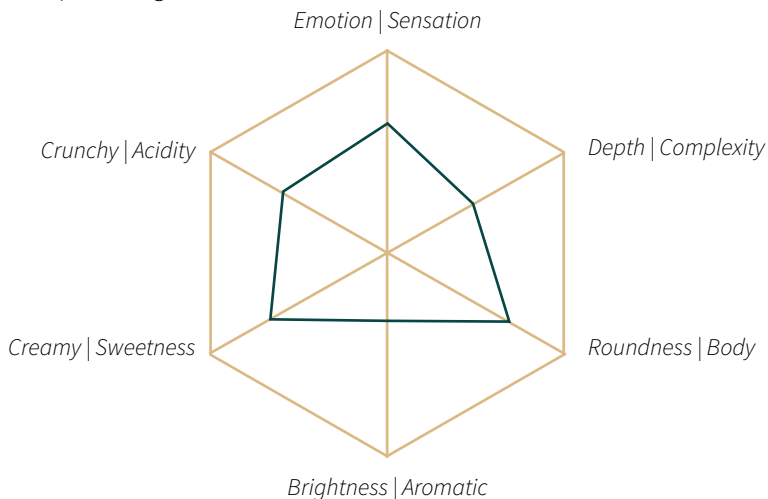

Vinified in stainless steel tanks, without oak aging, to preserve the lively and fruity nature of the Chardonnay. Low-temperature fermentation captures clean aromas of white-fleshed fruits and citrus. Aging on fine lees adds a lovely texture to the palate without weighing down the wine. It maintains its freshness while showing a certain roundness.

DÉGUSTATION

Clear, bright robe with golden highlights.

The nose is delicate, with notes of green apple, pear, and lemon, complemented by a slight floral touch. On the palate, it's refreshing, with well-balanced acidity and a smooth texture. The low alcohol content lends lightness and finesse, with a crisp and thirst-quenching finish.
