TERROIR

In the heart of Cahors, Malbec captures the raw energy of the South-West. Located 2 hours north of Toulouse, this land of clay-limestone hills gives the grape its character, blending power and finesse. A wine that embodies the authenticity of its terroir, where every sip takes you on a journey between sky and earth. The climate is perfect for revealing the grape's full potential.

VITICULTURE

Vines cultivated with respect, in natural balance. No shortcuts, letting the grape speak for itself. Intense sunlight, cool breezes—everything is here to create a true flavor bomb. The goal is simple: to produce a wine that's both a pleasure to drink and a genuine reflection of the terroir.

VINIFICATION

Long maceration to preserve the essence of the fruit. No frills, just the perfect balance of fruitiness and smoothness. Aged in tanks for an explosion of freshness on the palate. Every step is designed to highlight the juicy and vibrant side of Malbec.

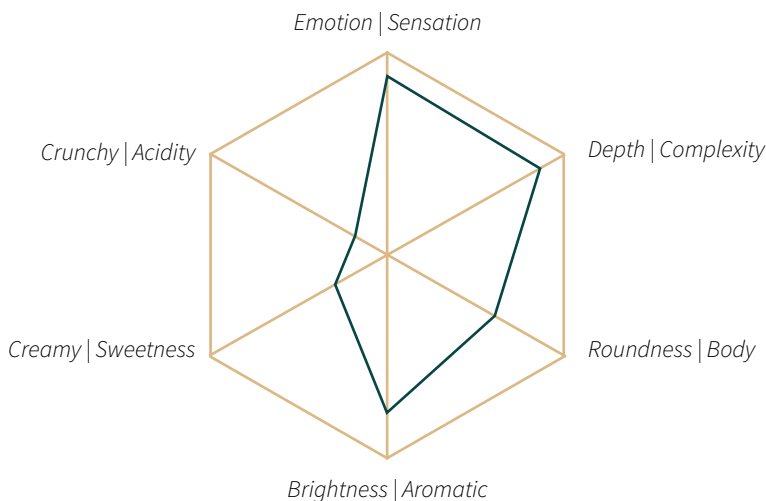

DÉGUSTATION

Garnet color with violet reflections.

On the nose: black fruits (blackcurrant, blackberry) with a hint of spice.

On the palate: smooth, juicy, with velvety tannins. The finish? Fresh, making you immediately want more. A wine that connects instantly, with just the right punch and finesse.
