

# CIEL & TERRE

## pinot noir

IGP PAYS D'OC

### CÉPAGES

100% Pinot Noir

### TERROIR

Between Carcassonne and Narbonne.

From the plains of the Aude, this Pinot Noir captures the freshness of maritime breezes and the warmth of the southern sun. The clay-limestone soil provides finesse and minerality while preserving the beautiful freshness that makes this a classic example of Pinot Noir.

### VITICULTURE

Young vines, intended for wines that are “easy,” “Glouglou.”

Cultivated with respect for nature, each vine is nurtured to reveal the best of the terroir. The generous Aude sun ensures optimal ripeness, while the cool nights retain the finesse of the aromas.

### VINIFICATION

Everything is pressed and directly vinified in tanks.

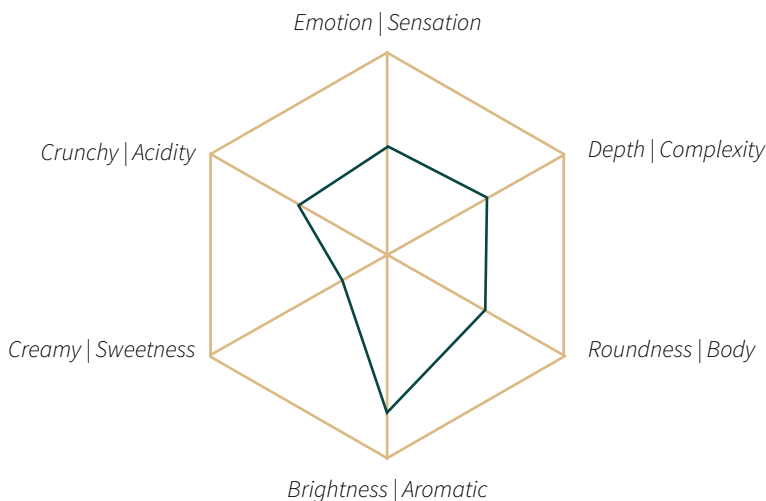

Precise and gentle vinification preserves the delicacy of the variety. No aging in wood here, just the pure expression of fruit and earth. Each sip is an invitation to rediscover Pinot in a new light, without maceration.

### DÉGUSTATION

Bright ruby robe, hinting at a “light” wine.

The nose reveals cherry, raspberry, and a touch of undergrowth. On the palate, it's a light yet reassuring Pinot, subtle without being too discreet. A fresh and elegant finish, full of finesse.
